My dear Miss Whitney:-

Please do not think me unmindful of your gracious hospitality in Shelburne. An attempt which I hope will prove successful to prevent the advance of the Chestnut Bark disease in Southern New Hampshire, has kept me long in the woods, and I have been unable until this time to see the people in Gorham that I promised.

But I am going there on Nov. 4, after which I hope to be able to report

to you progress toward
having that beautiful
road made clear at
least within the limits
of the highway.

I wish to express my
great satisfaction in
meeting you, and in
learning your thought
on important matters.
Mrs. Ayres thanks you
for the volume of poems,
which she has looked
over with much
interest.

Please accept my
very kind regards and
best wishes for your
continued health.

Sincerely yours,
Philip W. Ayres.
